

America's Most Practical and Entertaining Parent Training
BECOMING A LOVE AND LOGIC PARENT®

A seven-week parent training program designed by the Love and Logic® Institute, Inc.

**Have you ever wondered who comes
to the Love and Logic Parenting Series?**

Normal Parents!

The series offers additional strategies to help with daily parenting challenges such as:

- ♥“How do I get them out of bed in time to catch the school bus?”
- ♥“Is there a way to discipline my toddler in public without creating a scene?”
- ♥“How can I stop my children from bickering and fighting?”
- ♥“How can I get my teenage daughter to come home at the agreed-upon time?”
- ♥“How do I get my children to help with the chores without an argument?”
- ♥“How do I get him to stop spitting his peas and whining at dinner?”

These classes are a fun way to get together, meet other parents, and put some extra “tools” in our parenting toolboxes.
